

Saitama University Faculty of Education

Prof Toshikazu YAMAMOTO

URL : <http://tyamamot.tech.edu.saitama-u.ac.jp/>

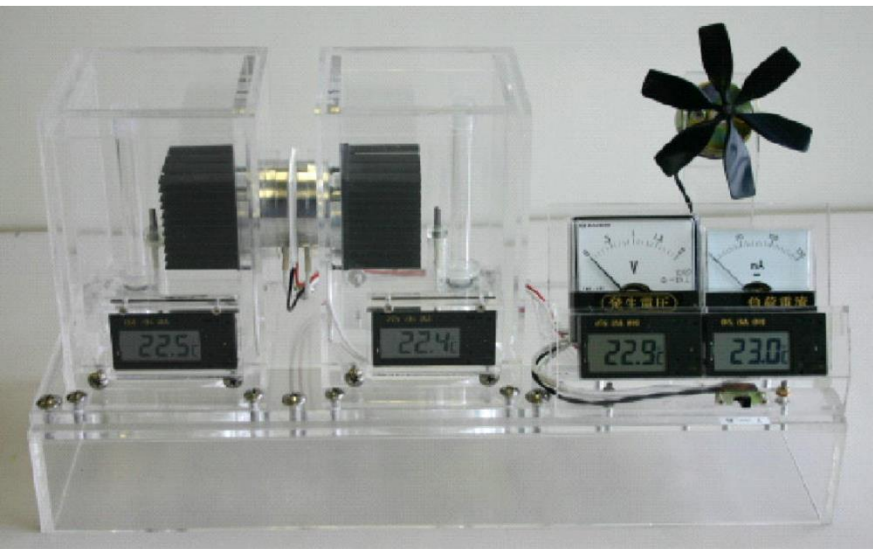

## Teaching materials for the latest technology

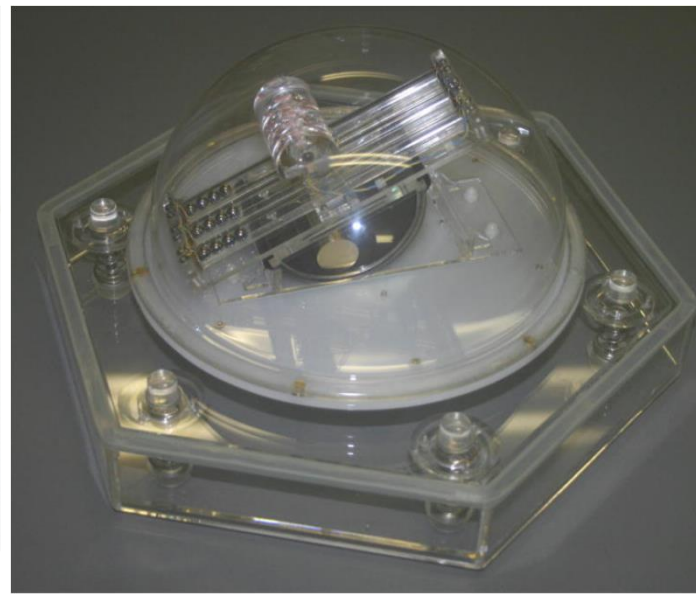

Target  
Technology education, Energy education, Information education, Teacher education

Development research  
Ocean thermal power generation system, Geothermal power generation system,  
Wave power generation system, Solar thermal power generation system, etc

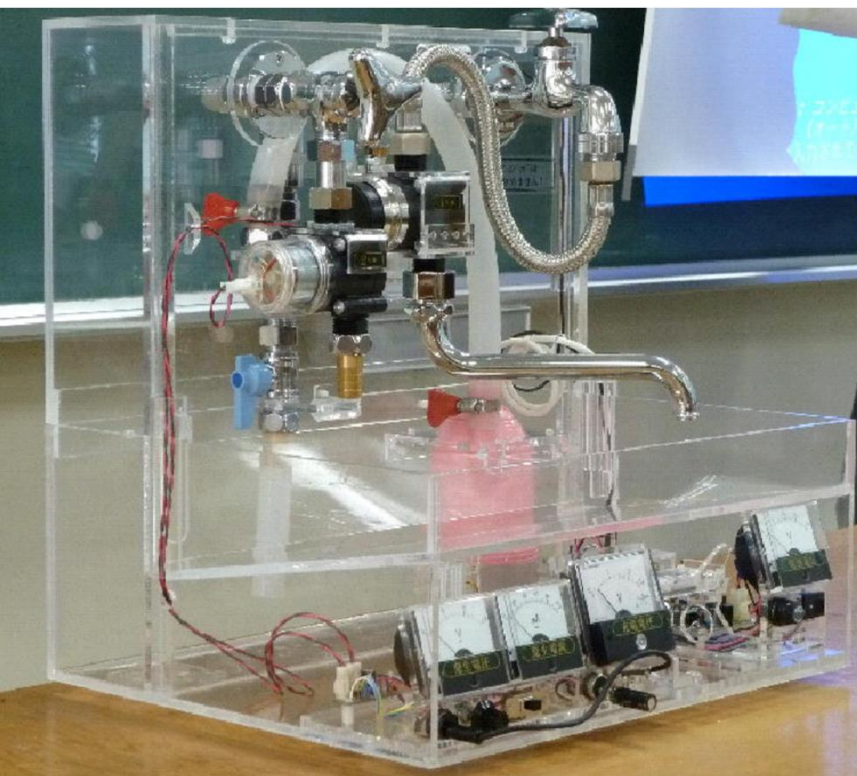

Educational practice research  
Class practice and evaluation using the development device, ICT, AI, Programming

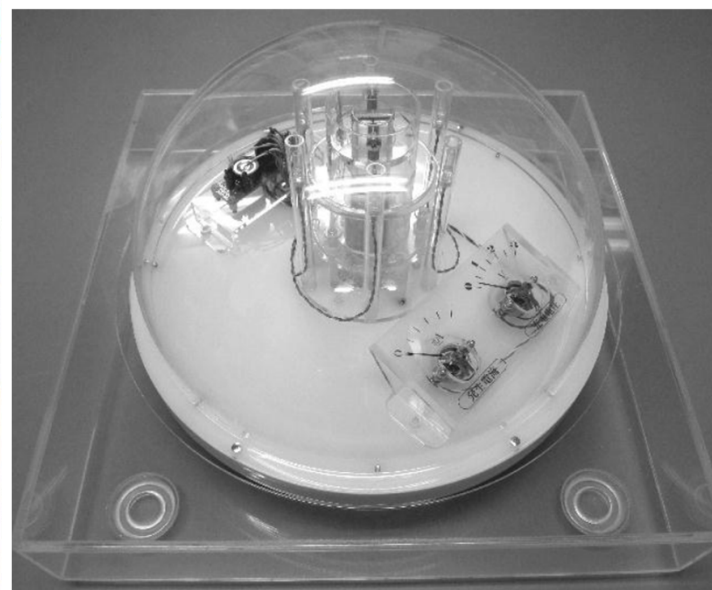

Ocean thermal power generation system

Wave power generation system

hydro power plant

Wave power generation system
